1967 Mercedes 200d Repair Manual

Mercedes 200d "Fintail" 1967 For sale is my left-hand-drive fintail, one of the last ones made. This is a French car, imported last summer (hence logbook shows 0 previous owners) This car is in a "daily driver" condition. I never intended to do any restoration work when I bought it, just use it whenever the sun was out.
