Geometry Worksheets for Students in 1st Grade

To begin this review lesson, I like to start with the video "Monster Math: Geometry". I like to use this video because it reviews some of the basic vocabulary terms for the geometry standards. Once the video is complete, I write the vocabulary words on the board/chart paper: equal shares, unequal shares, halves, fourths, quarters, vertices, and straight lines.

First grade Lesson Building with Shapes | BetterLesson

Exploring Geometry Concepts. For primary students, geometry lessons are perhaps the easiest to relate to the world outside the classroom.
