the third-generation Nissan Primera, its first all new car since the alliance with Renault was formed two years earlier. The new Primera was more radically styled than previous versions.

### **Richard Hammond Nissan Primera Review (2001)**

The new generation Nissan Primera was a significant departure from the previous generations when it was launched in 2001. Instead of a sports-style sedan, the new model was softer and more luxurious. It also changed from manual transmissions to CVT automatics.
