**B777 Non-Normal  
Procedures - The  
Airline Pilots**

Just FYI, "Normal  
Procedures Checklist"  
is a bit of a misnomer.  
What you're calling a  
checklist are actually  
termed "flows" by  
crews. Flows are done  
by memory and then  
the checklists are called  
as simple checks of the  
most important items

# Acces PDF 777 Boeing Normal Procedure Guide

that should have been done during each flow segment.
