Systematic literature searching is

Online Library A Comprehensive Review Manual For The Adult Nurse

recognised as a critical component of the systematic review process. It involves a systematic search for studies and aims for a transparent report of study identification, leaving readers clear about what was done to identify studies, and how the findings of the review are situated in the relevant evidence.

Wheelchairs: Past, Present and Future
Jesse Leaman, and Hung M. La, Senior
Member, IEEE Abstract—A smart
wheelchair (SW) is a power wheelchair
(PW) to which computers, sensors, and
assistive technology are attached. In the
past decade, there has been little effort
to provide a systematic review of SW
research.
