Landscape with Dragons: The Battle for Your Child's Mind ...

In A Landscape with Dragons, Michael O'Brien makes a key distinction between the horrors found in classical tales and the horrors that saturate so much contemporary fiction:. These shocks are presented as ends to themselves, raw violence as entertainment. In sharp contrast, the momentary horrors that occur in classical tales always have a higher purpose; they are intended to underline the ...

A Landscape With Dragons The

A Landscape with Dragons is a controversial, yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them. In this study of the pagan invasion of children's culture, O'Brien, the father of six, describes his own coming to terms with the effect it has had on his family and on most families in Western society.

A Landscape with Dragons - Cathy Duffy Homeschool ...

So I bought A Landscape With Dragons and read it twice over completely enthralled with what I was reading. All of my sneaking suspicions and intuitions about the culture I basically grew up with were not only confirmed, but were enflashed, and brought out in way that was spiritually horrifying yet courageous in Michael O'Briens sustaining, powerful, sinewy way.

A Landscape With Dragons: The Battle for Your Child's Mind ...

A Landscape with Dragons is about battlegrounds and books and battlegrounds that are books. In it Michael O'Brien offers a critique of contemporary children's literature, with a goal of pushing parents to think seriously about the impact such reading can have on their children - for good or ill. O'Brien is a smart and impeccably readable writer, and that makes it difficult not...

Landscape with Dragons – The Imaginative Conservative

A Landscape with Dragons is a controversial, yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them. In this study of the pagan invasion of children's culture, O'Brien, the father of six, describes his own coming to terms with the effect it has had on his family and on most families in Western society.

A Landscape With Dragons: The Battle for Your Child's Mind ...

One of Michael O'Brien's books, "A Landscape with Dragons: The Battle for Your Child's Mind," has prompted me to approach our inventory of children's stories with a more critical eye. "Landscape" is a study on the shaping of a child's imagination. More than that, it's an exploration of how stories and their use of... (click the link below to view the full essay by Laurel Good)
