Nat Turner, an enslaved African-American preacher, leads the most significant slave uprising in American history. He and his band of followers launch a short, bloody, rebellion in Southampton County, Virginia. The militia quells the rebellion, and Turner is eventually hanged. As a consequence, Virginia institutes much stricter slave laws.

African American History | National Archives

African Americans are an ethnic group of Americans with total or partial ancestry from any of the black racial groups of Africa. The phrase generally refers to descendants of enslaved black people who are from the United States. African Americans constitute the third largest ethnic group and the second largest racial group in the US, after White Americans and Hispanic and Latino Americans. Most African Americans are descendants of enslaved peoples within the boundaries of the present United

Understanding African History

The first African Americans to arrive in Utah were fur trappers in the early 19th century. The second influx consisted of both freedmen who were converts to The Church of Jesus Christ of Latter-day Saints and slaves belonging to white converts. Later, most African American immigrants to Utah would migrate out for labor-related motivations.

African Americans | History & Culture | Britannica

African-American history is the part of American history that looks at the history of African Americans or Black Americans. Of the 10.7 million Africans who were brought to the Americas until the 1860s, 450 thousand were shipped to what is now the United States.
