—Oliver Jensen, Editor, American Heritage Magazine. There is little that is more important for an American citizen to know than the history and traditions of his country. Without such knowledge, he stands uncertain and defenseless before the world, knowing neither where he has come from nor where he is going.

Books from American Heritage | AMERICAN HERITAGE

American Heritage History of World War I (1964) by S.L.A. Marshall lays out World War I in grim detail, reserves no judgements when warranted, and offers no tonic. The history is an easy read, assuming that a four year long human catastrophe can be called easy. Optimistically, the war could be called an organized generational genocide, but pessimists would sure use harsher language.
