An Introduction to the Study of Indian History is a classic work of Indian historiography by Damodar Dharmananda Kosambi first published in 1956. Through this book Kosambi revolutionised Indian historiography with his realistic and scientific approach. He understood history in terms of the dynamics of socio-economic formations rather than just a chronological narration of "episodes" or the feats of a few great men – kings, warriors or saints. In the very first paragraph of his classic work ...
