Ann E. Cudd. Analyzing Oppression. Oxford University Press, 2006, 278pp., \$35.00 (pbk), ISBN 9780195187441. Reviewed by Ruth Sample, The University of New Hampshire. This excellent book presents a clear, coherent, and eminently defensible reformative account of the notion of oppression. The aim, in the best analytic tradition, is to present an account that captures our basic intuitions about the nature of oppression while correcting those judgments that are distorted, based on false ...

Analyzing Oppression. By ANN E. CUDD - Benson - 2009 ...

Analyzing Oppression asks: why is oppression often sustained over many generations? The book explains how oppression coercively co-opts the oppressed to join their own oppression and argues that all persons have a moral responsibility to resist it.

Analyzing Oppression (Studies In Feminist Philosophy ...

Oppression is a form of injustice that occurs when one social group is subordinated while another is privileged, and oppression is maintained by a variety of different mechanisms including social norms, stereotypes and institutional rules. A key feature of oppression is that it is perpetrated by and affects social groups....

Analyzing Oppression

The book argues that oppression is an institutionally structured harm perpetrated on social groups by other groups using direct and indirect material, economic, and psychological force. Among the most important and insidious of the indirect forces is an economic force that operates through oppressed persons' own rational choices. This force constitutes the central feature of analysis, and the book argues that this force is especially insidious because it conceals the fact of oppression from ...

Analyzing Oppression / Edition 1 by Ann E. Cudd ...

The scope and precision of the account presented in Analyzing Oppression are impressive. Cudd's insightful treatments of the defining elements of oppression and of the forces that motivate members of oppressed social groups to contribute to their own oppression will attract a wide audience for the book, both among philosophers and critical social theorists.
