Our Progress Through 2012. For years, we referred to ourselves as a startup organization. But in 2012 we realized that wasn't entirely true. In 2012 alone, we raised \$33 million and funded more than 2,000 water projects. We were able to give more than 700,000 people clean water around the world. And for the first time in our history, we began to feel like we weren't a startup anymore.
