Suleiman Mourad: If we wrote the history of the Crusades based on Islamic narratives, it would be a completely different story altogether. There were no doubt wars and bloodshed, but that wasn't the only or dominant story. There was also coexistence, political compromise, trade, scientific exchange, love.

Arab Historians of the Crusades by Francesco Gabrieli

The chronicles are generous, naturally, with their praises of the great champions of the Muslim resistance, especially of Saladin, who towers above all the other leaders in heroic stature. Although, this book gives a sweeping and stimulating view of the Crusades seen through Arab eyes.

Historiography of the Crusades - Wikipedia

The historian Thomas F. Madden argues that modern tensions are the result of a constructed view of the crusades created by colonial powers in the 19th century and transmitted into Arab nationalism. For him the crusades are a medieval phenomenon in which the crusaders were engaged in a defensive war on behalf of their co-religionists.
