Balance of power. Balance of power, in international relations, the posture and policy of a nation or group of nations protecting itself against another nation or group of nations by matching its power against the power of the other side. States can pursue a policy of balance of power in two ways: by increasing their own power,...

Balance of power (international relations) - Wikipedia

Balance of Power was the last studio album by the Electric Light Orchestra before their initial disbanding (the band would later reform in 2000 and again in 2014). By this time Kelly Groucutt had departed and the group was pared down to a trio [6] of Jeff Lynne (who doubled on bass as a result of Groucutt's absence),

The balance of power theory in international relations suggests that states may secure their survival by preventing any one state from gaining enough military power to dominate all others. If one state becomes much stronger, the theory predicts it will take advantage of its weaker neighbors, thereby driving them to unite in a defensive coalition.
