Steam Engine and Stirling Engine Plans - John-Tom

A few years ago I decided to get a hit-and-miss engine. Not being able to decide what to buy, I turned to my machinery and piles of bar stock for the answer. I didn't want a small model but rather a 3 HP-sized machine. After a few pages of sketches I set out to make some chips fly and built a homemade 3 HP hit-and-miss gas engine. Quite a project

Plans for Everything - IC Engine Plans

Building the PMR-7 Twin Cylinder Steam Engine A friend in Sweden asked if I would build this casting kit for him.
