History. The term "counselling" is of American origin, coined by Carl Rogers, who, lacking a medical qualification was prevented from calling his work psychotherapy. In the U.S., counselling psychology, like many modern psychology specialties, started as a result of World War II. During the war, the U.S. military had a strong need for vocational placement and training.

Basic Communication Skills. Once the appropriate counselling setting has been provided, it is time to apply basic communication skills to help improve the client's expression of emotions and formulation of thoughts. Such rules are beneficial for any communication process, but particularly important during a counselling relationship.

Counseling psychology - Wikipedia

A Brief History of Counselling. To understand the history of counselling, we begin with the realisation that throughout the years, human beings have found comfort in sharing their problems or telling their story to others. The old saying ' a problem shared is a problem halved' tells us one universal human truth: that when things get difficult or we have to make decisions in our life ...
