Blue Mountains The Ethnography And

The Accursed Mountains, the southernmost part of the Dinaric Alps, stretch more than 60 kilometres (40 mi) from Lake Skadar along the Montenegrin-Albanian border in the southwest to Kosovo in the northeast. These points are at 42°45' and 42°15' N in the Mediterranean zone of the western Balkan Peninsula. The southern boundary of the Accursed Mountains is found at the river Drin and its ...

Accursed Mountains - Wikipedia

A tourism region is a geographical region that has been designated by a governmental organization or tourism bureau as having common cultural or environmental characteristics. These regions are often named after a geographical, former, or current administrative region or may have a name created for tourism purposes. The names often evoke certain positive qualities of the area and suggest a ...

Region - Wikipedia

Beginning around 3000 BCE, the ancestry profiles of many groups in Eurasia were transformed by the spread of Yamnaya Steppe pastoralist ancestry (Western_Steppe_EMBA) from its source in the Caucasus Cline (9, 49) to a vast region stretching from Hungary in the west to the Altai mountains in the east (7, 8) (Fig. 3). Over the next two millennia ...
