The Allied Forces, commonly known as the Allies or more formally as the Allied Nations, are a political and military alliance of Western democratic countries. The political leadership of the Allied Forces is typically held by the head of state or government of a major allied nation or supranational union, while the Allied military forces are led by the Supreme Allied Commander. During the ...

Tanks in the British Army - Wikipedia

The Tank, Cruiser, Mk I (A9) was a British cruiser tank of the interwar period. It was the first cruiser tank: a fast tank designed to bypass the main enemy lines and engage the enemy's lines of communication, along with enemy tanks. The Cruiser Mk II was a more heavily armoured adaptation of the Mark I, developed at much the same time.
