Jean Saldanha. In The Pandemic Is a Portal, Indian author Arundhati Roy writes, “Historically, pandemics have forced humans to break with the past and imagine their world anew. This one is no different. It is a portal, a gateway between one world and the next.” The way multilateralism operates will have to change to reflect this very different world. The COVID-19 pandemic has been testing ...

Between 1492 and 1914, Europeans conquered 84 percent of the globe, establishing colonies and spreading their influence across every inhabited continent. This was not inevitable. In fact, for decades, historians, social scientists, and biologists have wondered: Why and how did Europe rise to the top, even when societies in Asia and the Middle East were far more advanced?
