integer value to convert in into the desired character hence. `int i=5; char c = i+'0';`

Insulation Resistance (IR) Values | Electrical Notes ...

I don't use ggplot2 that much, but today I thought I'd give it a go on some graphs. But I can't figure out how to manually control colors in `geom_line()` I'm sure I'm overlooking something simple,

...

Electrical.Tools | Electrical Notes & Articles

Introduction: The measurement of insulation resistance is a common routine test performed on all types of electrical wires and cables. As a production test, this test is often used as a customer acceptance test, with minimum insulation resistance per unit length often specified by the customer. The results obtained from IR Test are not intended...
