Historia En el pensamiento de Marx. Aunque Marx no utiliza de manera explícita el término moderno "destrucción creadora", este proviene ampliamente de sus análisis, en particular de la obra de Werner Sombart (a quien Engels describió como el único profesor alemán que entendía El capital de Marx) [12] y de Joseph Schumpeter, quien discute a fondo el origen de las ideas en la obra de ...

In this brief section, I aim to establish that two main ideas can be distilled from the various definitions of hegemony. The first is the notion that hegemony entails overwhelming or preponderant material power. The second is the idea that hegemony involves the exercise of some form of leadership, including domination, over others.
