Person-Centered Therapy (PCT), also referred to as Rogerian psychotherapy, person-centered psychotherapy, person-centered counseling and client-

centered therapy, is a humanist approach to therapy in which the clients themselves consciously take the lead, rather than the therapist interpreting and reflecting their unconscious thoughts and ideas ...

CARL ROGERS ON PERSON-CENTERED THERAPY

Client centered therapy, Psychotherapy. ABSTRACT Client-centered therapy, also called the person-centered approach, describes Carl. Rogers' way of working with persons experiencing all types of personal disturbances or problems in living.

Client-Centered Therapy: Its Current Practice ...

The way client-centered therapy works is a natural extension of these conditions: the therapist and client discuss the client's current problems and issues, the therapist practices active listening and empathizes with the client, and the client decides for themselves what is wrong and what can be done to correct it (McLeod, 2015).
