### Writer's block - Wikipedia

Thinking outside the box (also thinking out of the box or thinking beyond the box and, especially in Australia, thinking outside the square) is a metaphor that means to think differently, unconventionally, or from a new perspective. This phrase often refers to novel or creative thinking. The term is thought to derive from management consultants in the 1970s and 1980s challenging their clients ...

The social determinants of health (SDH) have long been considered a core mechanism through which racial health inequities are (re)produced and incubated in the U.S. Moreover, scholars have expressly—and appropriately—named structural racism as a precursor to inequities associated with SDH. However, while research on racial health inequities—SDH-related or otherwise—

### Conceptual Blockbusting Better Ideas

Writer's block is a condition, primarily associated with writing, in which an author is either unable to produce new work or experiences a creative slowdown. Mike Rose found that this creative stall is not a result of commitment problems or the lack of writing skills. The condition ranges from difficulty in coming up with original ideas to being unable to produce a work for years.
