Constitutional Theory Arguments And Perspectives

Nathanson considers a variety of arguments offered in defense of capital punishment in America: deterrence, costs, problematic procedural outcomes, moral desert and the death penalty, American constitutional considerations. An especially helpful treatment of the arguments based on criminal procedure in America. Nathanson, Stephen.

Capital Punishment | Internet Encyclopedia of Philosophy

Federalism is the theory or advocacy of federal principles for dividing powers between member units and common institutions. Unlike in a unitary state, sovereignty in federal political orders is non-centralized, often constitutionally, between at least two levels so that units at each level have final authority and can be self governing in some issue area.

Federalism (Stanford Encyclopedia of Philosophy)

Liberal democracy, also referred to as Western democracy, is the combination of a liberal political ideology that operates under a democratic form of government.It is characterised by elections between multiple distinct political parties, a separation of powers into different branches of government, the rule of law in everyday life as part of an open society, a market economy with private ...

According to this moral theory, the act of abortion must be conceptually separated into the acts of (a) eviction of the fetus from the womb; and (b) killing the fetus. Building on the libertarian stand against trespass and murder, Block supports a right to the first act, but except in certain circumstances not the second act.
