FAMILY LAW | Zimbabwe Legal Information Institute

Contemporary Family Law also introduces the myriad issues central to family law practice and to a lawyer's ethical and professional responsibilities. The book includes material on shifting paradigms in family law practice and the roles of family lawyers, and devotes separate chapters to professional ethics, alternative dispute resolution, and private ordering.

Government of Lesotho - Official Website for The Kingdom ...

Lesotho is a blend of past and present, traditional and modern beliefs and practices. While church ceremonies are customary for weddings, the practice of extracting brideswealth from the man's family continues, making a family of daughters a lucrative situation.

Contemporary Family Law: Divorcing Marriage from Children ...

Family law has been broadened in a wide range of areas that the law governs, as over the years the concept of family has been widely diversified due to changes in modern society and community standards. Family law governs areas such as marriage, family relationships, legal rights and obligations of parents and children, adoption and the protection and care of children within a family.
