### **Conversion in late antiquity: Christianity, Islam, and ...**

This debut volume in the new series Minnesota Studies in Early Modern History brings a comparative approach to what, in recent years, has been a hotly debated topic within and across a number of academic disciplines: conversion to Christianity. These debates register the challenges inherent in attempting to understand a transformation that was at once personal and collective -- a matter of ...

### **Conversion in Late Antiquity: Christianity, Islam, and ...**

Christianity in late antiquity traces Christianity during the Christian Roman Empire – the period from the rise of Christianity under Emperor Constantine (c. 313), until the fall of the Western Roman Empire (c. 476). The end-date of this period varies because the transition to the sub-Roman period occurred gradually and at different times in different areas.

The Conversion of Armenia as a Literary Work. Robin Darling Young. Compared with the spread of Christianity in the Roman Empire, Armenia's Christianization was distinct in at least two respects: first, it did not spread initially through the communities of the Jewish diaspora, and second, it did not spread through an urban culture. 1 Unlike the early Christian communities to the west, it did ...

with a strong comparative commitment. However, the focus was exclusively on conversion to Christianity; and many of the most exciting questions raised in the discussion were lost in the decision to publish two separate volumes, one concentrating on late antiquity and the other including the case studies from the modern world.
