You will also learn the elements of a cordon and how to plan and task organize for cordon and searches.

Cordon and Search - alsamilitary

Cordon and search is a military tactic to cordon off an area and search the premises for weapons or insurgents. It is one of the basic counter insurgency operations. Two types of cordon and search operations are cordon and knock and cordon and kick (or cordon and enter).. In a cordon and knock operation, counterinsurgency forces assemble around an area to provide security ("cordon") and then ...
