Daihatsu | Rocky Service Repair Workshop Manuals

The Daihatsu Charade is a supermini car produced by the Japanese manufacturer Daihatsu from 1977 to 2000. It is considered by Daihatsu as a "large compact" car, to differentiate it from the smaller kei car compacts in its line-up, such as the Daihatsu Mira. In Japan, it offers buyers more interior space and a larger engine that allows for the car to also be used outside of urban areas.
