Top 10 Actor/Director Relationships - The Script Lab

The Actor/Director relationship is kind of like trying to dance a waltz and both parties are trying to lead. Or, perhaps more accurately, the director thinks it's a waltz while the actor is convinced it's a tango (and we won't begin to discuss what music the writer or producer thinks the band is playing!)

I am currently researching Actor - Director Relationships

Writing is about structure and words. But the process I've been describing—of the sum being greater than the parts—that's shaped by the director. They're different talents." (47) Ideally, screenwriters and directors should have a deep and

respectful relationship around the core of the story, its characters, and its major plot points.

The Actor/Director Relationship - Mark W. Travis

A director's primary concern on the set is to provide approval and reassurance to your actors. As performers, actors need to be seen and heard, and you must always make sure that your actors know you are listening to them.

Remember, to find a character they are playing, actors must surrender completely to feelings and impulses. A good director understands an actor's vulnerability and creates a safe place for them to perform.
