Directory intended "to provide researchers ready access to sources of recently developed experimental measures." For the most part, only American journals were used as sources. Entries arranged under categories, e.g., Achievement. Each entry gives test name, purpose, number of items, format, author, journal reference, and related research. Index.

Directory of Unpublished Experimental Mental Measures ...

Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

Download Directory of Unpublished Experimental Mental Measures PDF

You can look up 'Research Instruments' in Nursing Reference Center --go to Advanced Search and uncheck everything except 'Research Instruments'. You will get a summary of the instrument (type, what it measures, population, etc.), the source (book, article, publisher) and related articles, mostly studies which used the instrument.
