BBC - Doctor Who - A Brief History of a Time Lord.

A good history of The Doctor, both behind-the-scenes and broadcast. Probably too basic for life long Whovians, but terrific for us Americans that didn't grow up with the program. The book begins with the creation of the program.

"The Doctor" | Tardis | Fandom

The History of Physicians / Doctors. Medieval Europe and the first med schools 12th century Italy saw the emergence of universities and the first medical schools. At this point, being a doctor depended less on the "gospel" of pre-existing medical texts and more on applying those texts and others to a doctor's individual experiences in the field.

The Master, who like the Doctor has been played by a wide array of actors over the show's lengthy run, is back to wreak havoc once again – this time played by Sacha Dhawan.

Who is the Master? Doctor Who history of Sacha Dhawan's ...

The Doctor didn't replace the sonic for ages – the next time we saw one was when the Seventh Doctor used a similar model to seal a casket containing the Master's remains. The War Doctor also used a modified version of this sonic during the Time War, but had swapped the emitter head for a more simple light-up one.
