Help, My Puppy is Constantly Peeing! - Simply For Dogs

A Cane Corso can be a demanding dog and one that’s difficult to handle. In the right hands, a Cane Corso can be a wonderful dog, a valued family member, and a great canine citizen. In the hands of an amateur, though, a Corso can be like a fully-loaded .44 magnum with the safety off. This is a powerful dog with an attitude and can be very dangerous in the wrong hands.

My Dog is Suddenly Aggressive With Other Dogs in the House! - K9 of Mine

Sometimes, though, dogs will begin marking their territory as early as three months. Your puppy is not constantly peeing because he has forgotten his house training – he’s’ doing it because he’s developing his dominance characteristics very early on. He wants everyone to know what belongs to him, and urinating is his way of doing it.
