The South Centre | Tax Cooperation Policy Brief 14, June 2021

Between birth and age three, children rapidly achieve many important milestones that create the foundation for later growth and development. Early in life, babies depend on others to meet their needs for safety and security. When infants receive warm, consistent care and attention from adults, they are able to establish a sense of trust in the world. They learn that important caregivers will ...

General Overviews in English. Erickson 1975 and Erickson 1983 will remain the definitive work in English and probably any language on the type of war the Soviet Union and Germany waged and how it was won, although it is not always an easy read. Bellamy 2007 and Mawdsley 2005 are newer one-volume histories, incorporating the new material that became available from the 1980s and addressing the ...
