September 2015 Volume 47

September 2015 volume 47, as one of the most full of life sellers here will entirely be in the middle of the best options to review.

You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

### September 2015 Volume 47 **September 2015 issue - Get ...**

Wood based computer chips are a reality, and these could make the recycling of electronics a much simpler task. Developed at University of Wisconsin, USA, by a group led by engineering professor Zhenqiang (Jack) Ma, the wood-derived computer chip is made by processing wood into nanocellulose paper, which is then used as a substitute for silicon.
