Internship Report; every student has to submit an internship report document at the end of the internship journey. Students must learn step by step internship report writing skills before writing an internship report. An internship is an opportunity offered by an employer to potential employees, called interns, to work at a firm for a fixed, limited period of time.

## **ENGINEERING INTERNSHIP PROGRAM**

Through writing an internship report, you will be able to summarize all of the personal and the business-related experiences and even the achievements you've had while being an intern. Most universities require their students to provide an internship report at the end of their internship.
