Equine emergencies : treatment and procedures (eBook, 2008 ...

If you own horses long enough, sooner or later you are likely to confront a medical emergency. There are several behavioral traits that make horses especially accident-prone: one is their instinctive flight-or-fight response; another is their dominance hierarchy -- the need to establish the pecking order within a herd; and a third is their natural curiosity.

Equine Emergencies: Treatment and Procedures - James A ...

Equine emergencies can often be distilled to the basics of resuscitation, establishing an airway and maintaining adequate circulatory volumes. It is imperative in an emergent situation to provide a timely fluid resuscitation plan or establish an airway in a horse with an upper airway obstruction.
