Expert C Programming - pearsoncmg.com

Just because someone is a C expert doesn't mean that they're a good software developer. Experience and language familiarity are good, but I think they are both trumped by that intangible, un-quantifiable property that makes someone a "good software developer". What I'm trying to say is, "What makes you a C programming expert?" is not a useful ...

Expert C++ Programming - packtpub.com

Expert C Programming should be every programmer's second book on C. Most of the lessons, tips, and techniques here aren't found in any other book. They are usually pencilled in the margin of well-thumbed manuals or on the backs of old printouts, if they are written down at all. The knowledge has accumulated over years of C programming by the ...
