Alfred Worden - Wikipedia

"Falling to Earth: An Apollo 15 Astronaut's Journey to the Moon," by Al Worden and Francis French, is a very good astronaut biography. In a field cluttered with memoirs by other ex-space-travelers, some of them good and some terrible, this book stands out because of its substance, style and subject matter.

Skylab - Wikipedia

Forty summers ago, Al Worden became one of Jackson's greatest heroes when he flew to the moon on Apollo 15. This summer, Worden plans to return to his hometown when he releases "Falling to Earth," an autobiography describing both his glorious moon mission and a subsequent fall from grace at NASA. alanh_7 Member .
