## **foundations financial management edition Flashcards and ...**

Management operates the firm to satisfy its own goals, needs, financial requirements and the like. As a company moves from private to public ownership, management now represents all owners. This places management in the agency position of making decisions in the best interest of all shareholders. 1-8.

**Foundations of Financial Management**

in addition, table ic3-3 gives the company's 2001 and 2002 financial ratios, together with industry average data. the 2003 projected financial statement data represent jamison's and campo's best guess for 2003 results, assuming that some new financing is arranged to get the company "over the hump."
