Hospitality Management Accounting, 8th Edition

Back in 1999, two tiny start-ups on two separate continents had a startlingly similar mission: to build a comprehensive technology platform to remove some of the time-consuming, manual, spreadsheet-based processes that bogged down those in hospitality. Over the years, each company worked hard, grew, and made a name for itself. Then, in July 2019, those two companies, neither of which was ...
