Freedom Summer, 1964: An Overview

Doug McAdam offers the first book to gauge the impact of Freedom Summer on the project volunteers and the period we now call "the turbulent sixties." Tracking down hundreds of the original project applicants, and combining hard data with a wealth of personal recollections, he has produced a riveting portrait of the people, the events, and the era.

In that research, described in his book *Freedom Summer*, McAdam found that students who participated in Freedom Summer had significantly higher levels of subsequent civic-minded attitudes, dedication to radical politics, and activist commitments than the students who were accepted to Freedom Summer but did not participate. His findings in this research have contributed to the widely-held idea that civic activism and service among youth will contribute to "making citizens" in the future.
