Previously a separate product, Impression has been merged with Topaz Studio 2, a complex full-featured photo editor. Impression is a very powerful and highly customizable tool for transforming photos and other images into a wide variety of digital artworks, such as drawings and paintings.

photos to art | Personalized wall art from your photos

This is all very impressive however, it's not real art as far as painting goes, why take a photograph and change it to "LOOK" like paint? why take a photo that looks just fantastic as a photo and digitally paint it! it ain't paint!
