What Is Kanban? Explained in 10 Minutes | Kanbanize

The term 'Kanban' was originally conceived by the Japanese car manufacturer Toyota. It literally means "visual sign" or "visual card". Back in the 1940s, when Toyota used Kanban for the first time, the cards were in the form of paper notes pinned on a physical board (Kanban board). Toyota workers used the kanban card system to create a transparent work process and reduce production waste.
