Yosemite In the Sixties Hardcover Book by Glen Denny from ...

Glen Denny's first outdoor experiences came through fly-fishing trips into the Sierra with his father. When Denny moved to Yosemite in 1958 to learn to climb, the first ascent of El Capitan was under way. Inspired by this historic event, he was soon climbing the most challenging routes in Yosemite Valley, including some of the early ascents of El Capitan, with many of the

Glen Denny | Mountainfilm

Staring at one of Glen Denny's iconic black-and-white photographs from the Yosemite Valley, it takes a while to spot the nearly microscopic climbers hidden in the details. Upon closer inspection, the young men scaling the sheer rock look less like gnarly alpinists and more like a trio of misplaced house painters.
