Global Media Spectacle is a book about the media coverage of the transfer of Hong Kong from Britain to China in the summer of 1997. The authors compare and contrast media coverage from China, Hong Kong, Taiwan, Japan, Britain, the United States, Canada, and Australia. Their main argument is that "international news making remains inherently

About this journal. Media, War & Conflict is a major international, peer-reviewed journal that maps the shifting arena of war, conflict and terrorism in an intensively and extensively mediated age. It explores cultural, political and technological transformations in media-military relations, journalistic practices, new media, the arts, and their impact on publics, policy, and outcomes of warfare.
