### **Globalization and Media: Global Village of Babel - Jack ...**

The late Marshall McLuhan, a media and communication theorist, coined the term "global village" in 1964 to describe the phenomenon of the world's culture shrinking and expanding at the same time due to pervasive technological advances that allow for instantaneous sharing of culture (Johnson 192).

### **Globalization and Media :Creating the Global Village by ...**

The Global Village Critics of globalization charge that the phenomenon of globalization, especially seen through pop culture, is perpetrating a kind of cultural genocide on the world—that the largest, most dominant cultures are becoming larger and more dominant at the expense of many others.

### **The Global Village Theory**

The global village, however, is not the blissful utopia that McLuhan predicted. Nor, in a more modern formulation, is the world flat, with playing fields leveled and opportunities for all. Instead, Lule argues, globalization and media are combining to create a divided world of gated communities and ghettos, borders and boundaries, suffering and surfeit, beauty and decay.
