Management in the Innovation Project 6 7 December 2011 Figure 2: The innovation pentathlon (Goffin and Pfeiffer, 1999; Oke and Goffin, 2001) The inputs to the process are the triggers through in-house R&D (human and structural capital), feedback from customer (relational capital) or through a serendipitous incident.

Internal and Hidden Risks of ... - Innovation Management

'Goffin and Mitchell display a thorough knowledge of the academic literature on innovation, but remain refreshingly close to the practical issues and problems of innovation management. Packed with cases, short and long, this book teaches students that there are no simple recipes for success, but there are many lessons learnt and many useful tools to help the practitioner along.'

Goffin Mitchell Innovation Management Chapter

Managing innovation is a challenge in any organization and demands a wide range of skills. How can you judge whether your department or company is as innovative as it could be? And if it isn't, what can you do and where do you start? Innovation Management begins by separating innovation into five interlocking topics: The Innovation Pentathlon.

Management in the Innovation Project - Scientific Papers

Designed primarily for students on MBA and executive education courses, this practical text introduces a new 'pentathlon' framework for discussing key issues. The authors provide pragmatic tools for the effective management of innovation and develops strategies for improving performance in both service and manufacturing companies.

SIM chapter 5 - WordPress.com

Now, some scholars think and evidence that the management of a "regular" project compared with an innovation project is consistently different (Goffin & Mitchell, 2005: 242) and that traditional project management techniques fail in managing such projects because of a decoupling between projects and their business environment (Shenhar ...
