Grandpa Beatboxes in the Hood

Grandpa on a Skateboard is a comparatively brief book (at just 144 pages) but is a very practical guide to the process of assessing mental capacity in individuals over 16. It feels, to a legal professional, that it is aimed more at health professionals, but will still be of assistance to legal professionals too.

Grandpa Pranks People at Skate Park!

Grandpa on a Skateboard has some great case studies inside, again which humanises the subject matter, with Tim clearly defining all of the jargon into simple to understand glossaries throughout the book. I can definitely see how Farmer's book can help both medical profession and families.
