...

Among the three volumes I know of this handbook series, this one has been the most useful for my research on international finance because it contains most of the recent debates. It covers international trade, finance and economic policy issues by means of really comprehensive chapters which not only make literature review but also show new results.

Handbook of International Economics, Vol. 4 | Gita Gopinath

432 International handbook on the economics of corruption, volume two we discard them from the sample. This leaves us with a reduced sample of 4,641 respondents, which we use for the rest of the analysis. 5 Table 15.1 reports the percentage of respondents answering 'yes' to each of the 10 random response questions.

Handbook of International Economics | Vol 2, Pages 625

...

"This volume sustains the tradition of excellence of earlier Handbooks of International Economics. The reader is expertly brought up to date on those areas of international economics which have taken giant leaps forward - globalization, determinants of trade flows, preferential trade arrangements, sovereign debt, financial crises, and more.

Handbook of international economics. Volume 4 (Book, 2014 ...

This Handbook adopts a traditional definition of the subject, and focuses primarily on the explanation of international transactions in goods, services, and assets, and on the main domestic effects of those transactions. The first volume deals with the "real side" of international economics.
