'Ukulele tabs marked with "lead sheet" are Guitar Pro transcriptions of the melody, words (if applicable), and chords. Tunes marked with "solo arrangement" include the melody interlaced with the chords, intended to be played by a single player and imply harmony and lead simultaneously. These are my own interpretations, not necessarily a transcription of a specific performance.

Happy Birthday Ukulele - Rock Class 101

Happy Birthday (Duet Tab) The lead line of the duet tab is very similar to the solo version but has all the chord bits removed. So you're just playing one note at a time. It's worth learning this version first so you have the melody down before moving on to the solo version. The backing part plays the chords with just three downstrums per bar.
