While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you’ve got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Harry's Roadhouse Cookbook - Square Meals from Santa Fe's ...
Harry's Roadhouse came up and it was the best choice! My husband had the Sea Bass piccata and I had the mussels and you would have thought we were sitting Oceanside instead of in the middle of the high desert. The food was amazing and was only topped by the friendliness of the waitstaff. I will be recommending Harry's to everyone I know.
